

# November 2002

## **The Monthly Newsletter of The New Hampshire Flying Tigers Radio Control Club**

Send all correspondence to: The NH Flying Tigers RC Club, P.O.Box 99, Derry, NH 03038-0099

President - Glen Bolser Vice President - Paul Pazolt Safety Officer - John Lavery Field Marshall - John D. Stevens  
Secretary - Dave Annicelli Treasurer - Dan Wilder Newsletter Editor - Will Widgren Training Coord. - John D. Stevens

**This Month's meeting will be on  
Wednesday, November 27<sup>th</sup>, 7:00 pm at  
the Marion Gerrish Community  
Center, Derry, NH**

## **What's Happening**

**Don't forget to renew your membership.**

**The Christmas meeting/party has been moved  
up a week to December 18<sup>th</sup>.**

## **MINUTES OF LAST MEETING**

Meeting began at 7:03pm with 20 members present.

Treasurers report was read and accepted.

Dave Sigillo went over the meeting with the Derry Conservation Committee. The committee was receptive to the club, but is hesitant to the use of conservation land.

Dave said he has a meeting with the community

development director on Nov 1st and will report any progress made.

Glen mentioned the Manchester landfill as a possible site and will try and check into it. Paul Pazo It also mentioned a possible site in Haverhill MA.

The membership discussed the several incidents that have happened over the last year and what needs to be done to correct them.

The club has decided to continue the training program with several improvements next year.

Nominations are as follows: Dave Sigillo - Vice President

All other officers will continue in their respective positions.

Meeting ended at 7:30

### **From the Secretary**

**There has been a misprint on some of the renewal applications regarding dues for Junior members. If you are under 16 the dues are waived.**

**The field maintenance requirement does still apply. If you are a junior member and you have already paid based on the renewal you received, you will get a refund for your dues. I apologize for any confusion this may have caused.**

*Dave*

## PRESIDENT'S CORNER

It's that time of year already, building season, recovering an old aircraft, fine tuning and adjusting existing planes, so much work to do and we still have to travel and visit and even sometimes be surrounded by people we really don't like, not to mention spending all that money on gifts for other people when there are so many things we need for next flying season. Oh well what can you do? ( just kidding folks)

I sincerely hope that all members and their loved ones have an enjoyable and rewarding holiday season, and may you share quality time with the ones who are most important to you!

I have several items on the agenda for this month and basically I will be looking for input on the Christmas Party, and also I would like your input on ideas for the web site which will be updated over the course of the winter. We would like to hear your thoughts and ideas on the subject, and any ideas for events you would like to have next year so we can make plans for the 2003 budget which will be presented at the January meeting.

I need to once again thank Paul Pazolt for giving of himself for the benefit of the club. People sometimes forget that we all give our best for no other reward than to see the club exist and prosper and to promote the hobby in a good light to as many people as possible. We do not do it for any other reason, so thanks to Paul and all the other members past and present who have given of themselves for the sole benefit of this hobby.

Happy Holidays to You and Yours,  
The Bolsers ( Deb, Glen, Ian, Paige, and Shannon)

### Some additional points.

- Due to Christmas day falling on the last Wed. of the month the membership has agreed to hold the party and the Yankee Swap on the 18th of Dec., the Wed. previous to Christmas.
- We have to vote on only one officer, so we could do this just by a show of hands at the meeting since Dave Sigillo is unopposed for the office of Vice President.
- The club must also vote on whether or not the officers of 2002 have fulfilled their responsibilities in order to receive credit for next year's dues. We will do this under old business.
- Vandalism has been attempted once again, although very minor. Someone attempted to smash one of the locks on the trailer.
- Last on the list is the mower, I have sandblasted the mower deck, and replaced all belts, and some

parts that needed to be replaced, including spindles, bushings and bearings, and a steering gear. I will prime and paint the deck parts and side steps in the near future and finish up the mower before too long. It should be good to go another 10 yrs or 1000 hrs.

## FOR SALE

A complete set up for a new flyer to learn our hobby, and save some money. Would make a good Christmas gift. The package consists of the following:

1. Hobbico Superstar Trainer (has less than 45 minutes of flight time in the air!)
2. Futaba 4 Channel radio control system
3. Flightbox with Hobbico Accu-Glo power panel, side draw and top cradle to support plane.
4. New Hangar 9 12V Superstarter
5. New Pour'N'Pumo can for glow fuel
6. New (still in the packages)
  - Universal Razor Saw
  - Silicone fuel line
  - 2 plastic bottles of Hangar 9 30 minute Epoxy Super High Strength glue.
7. There are also 3 new propellers, 2 new glow plugs, new box of #64 rubber bands, new chicken stick, a 4-way wrench and other tools...

Asking price \$275 for everything.

If interested, contact Steve at (603)434-1085 or email him at [SJKEP@hotmail.com](mailto:SJKEP@hotmail.com)
