President - Glen Bolser Vice President – Dave Sigillo Safety Officer - John Lavery Field Marshall– Glen Bolser
Secretary - Dave Annicelli Treasurer - Dan Wilder Newsletter Editor - Will Widgren Training Coord. – TBD

**This Month's meeting will be on
Wednesday, Dec. 17th, 6:30 pm at the
Marion Gerrish Community Center**

What's Happening

**Annual Christmas Party and
Yankee Swap at this month's
meeting.**

**Note that the meeting is two weeks
earlier due to the holidays and the start
time is ½ hour earlier at 6:30.**

**A dessert contribution for the party
will be much appreciated.**

**Don't forget to renew your
membership.**

MINUTES OF LAST MEETING

Meeting Began at 7:03 with 23 members present.

Treasurer's report was read and accepted.

Glen gave Ed Burie an opportunity to speak regarding the situation that brought on his removal from the club. There was a lengthy discussion with several members making comments.

Don Cox stated that Ed's removal was not done according to proper procedure and made a motion to reverse Ed's removal.

Glen again made a motion to revoke Ed's membership. The motion was tabled until January.

John Lavery passed around decal sheets that could possibly promote the club and its new website.

John also discussed a possible advanced training program to be held every other Wednesday evening, along with a friendly competition at the end. All members present showed interest. The final competition is scheduled for September 11th with a rain date of September 18th.

The members present voted in favor of waiving the officers' dues.

A motion was made to reimburse Glen and John Lavery for the fees incurred for applying for CD (Contest Director).

There was a discussion about the importance of checking out your aircraft on a regular basis.

Everybody was reminded that the annual Christmas Party and Yankee swap will be on Dec 17th due to the regularly scheduled meeting falling on Christmas eve. The party begins at 6:30.

Meeting was adjourned at 8:50

Yankee Swap.

As in years past, we will have our usual Yankee Swap. To participate, purchase a new hobby related gift costing between \$10 and \$20, and cleverly wrap it in newspaper. Each person that brought a gift draws a number. Number 1 gets first pick, followed by the others in sequence. Numbers 2 and so on, get one chance to swap their gift with anyone that has already opened a gift. No. 1 gets to swap with anyone after all gifts are distributed.

Annual Christmas Party

Pizza and Soda will be provided for members and their guests. Dessert contributions will be greatly appreciated.

Winging it

Here are some rules for flyboys and flygirls:

When in doubt, hold on to your altitude. No one has ever collided with the sky.

The propeller is just a big fan in front of the airplane used to keep the pilot cool. When it stops, you can actually watch the pilot start sweating.

The only time you have too much fuel is when you're on fire.

Stay out of the clouds. The silver lining everyone is talking about might just be another airplane traveling in the other direction.

You start out with a bag full of luck and an empty bag of experience. The trick is to fill the bag of experience before emptying the bag of luck.

There are three simple rules for making

smooth landings. Unfortunately, no one knows what they are.

Words of wisdom

Age doesn't always bring wisdom. Sometimes age comes alone.

Life doesn't just begin at 40; it also begins to show.

Just when I was getting used to yesterday, along came today.

Age is important only if you are cheese or wine.

You don't stop laughing because you grow old; you grow old because you stop laughing.

The easiest way to find something lost is to buy a replacement.
