President - Glen Bolser Vice President - Dave Sigillo Safety Officer - Glen Bolser Field Marshall - Paul Pazolt
Secretary - Dave Annicelli Treasurer - Dan Wilder Newsletter Editor - Will Widgren Training Coord.- John Lavery

**This Month's meeting will be on
Wednesday, August 25th, 7:00 pm at the
Field**

What's Happening

**Annual Club Picnic – August 21st
Rain date August 28th.**

Minutes of Last Meeting

Meeting began at 7:05 with 25 members present.

Treasurer's report was read and accepted.

New members Paul and Brian Raison of Windham, NH. Both are new to the hobby.

John Lavery announced that Jessica Lavery and Bruce Felix have passed the Pilot Proficiency exam.

Paul Pazolt announced that he has a lead on a roller and will keep the club updated.

There is also a work party scheduled for the 31st.

Paul also talked about the volunteer list for grass cutting and also about keeping a maintenance log for the mower.

The club picnic is scheduled for August 21st with a rain date of the 28th.

Rich Bono talked about the Manchester landfill as a possible flying site and is in negotiation with the city. He said that progress is being made, but that it is a slow process. He will keep the membership updated as things change.

The meeting was adjourned at 7:48.

President's Corner

Well here we are almost at the end of August. I don't know about you but it seems the Summer flew right by. Unfortunately I have not seen as many of you at the field as I would have hoped but all in all it has still been a good season without any major problems.

Our membership has reached its normal Summer level. The field is looking great and well maintained, but we are still working on an additional flying site. Every time I have asked for

volunteers to help out with various projects the call has been answered, so all in all, it has been a good year and we still have at least 2 good months left in the flying season. So come on down and participate in the fun. If there is something you would like to suggest, by all means bring it up for discussion at a meeting, or call me at home, or just send me an email and I'll get back to you. This club revolves around membership participation at meetings, so if you do not attend meetings and do not make any suggestions or complaints then I guess the present officers must be doing their respective jobs and we'll accept that as a vote of confidence.

Hope to see you at the field and if not, then please participate in the club forums on the web, or send me an email, stay in touch.

Thank You,
Glen

Maine Jet Rally

Hi Guys and Gals. As we did last year, there is a group of us that are planning on attending the Maine Jet Rally. The event has been moved from its location in Biddeford, Me to a new site in Sanford, Me. It is scheduled to take place Sept. 11th and 12th, depending on the weather. If I can find a relative to watch my kids for the day, I would be available on the 11th, and can possibly borrow the 15 passenger van again to make the trip, if you folks are interested in going to see this event.

If you didn't go last year you missed a great exhibition of R/C Jets, from very detailed scale F-15'S and a DC-10, to some very impressive performance R/C Jets, that could do a slow pass at 25 MPH and then go up to the clouds and come back by the runway doing a very close to ground high speed pass at 200 MPH, the sites and the sounds are a must see, so if you would like to attend, let me know, and if you don't wish to ride along with us, we can always meet somewhere and follow each other to the show.

Glen
